## Steinhoff/BZS Scholar announced

Winston Godwin receives his award from Tom Steinhoff

**BERMUDIAN STUDENT** Winston Godwin is the 2010 Steinhoff/BZS Scholar. Godwin, 20, is in his third year at the University of Guelph, Ont., Canada, where he is majoring in Geography with a minor in Environmental Studies.

"This scholarship means a great deal to me and my family and I thank the Bermuda Zoological Society and the Steinhoff Environmental Scholarship Committee for providing me with this opportunity," says Godwin, who's spending the summer working as a lifeguard.

Godwin is the second recipient of the \$10,000 Steinhoff/BZS Scholarship, launched last year. The scholarship committee also gave a special award of \$4,000 to **Mark Outerbridge**, a BZS ecologist studying for his PhD degree. Outerbridge has spent the past few years studying Bermuda's killifish and native terrapins. He also coordinates the Bermuda Turtle Project.

## BZS camp voted the best!

Congratulations to BZS/BAMZ for being awarded "Best Kids Camp" by *The Bermudian* magazine in its annual Best of Bermuda edition this summer. "The worst part about BZS Aqua Camps is that they're only a week long!" the judges enthused.

Welcome to all this year's camp kids who start their adventure with us next week! We'd also like to thank sponsor Allied World Assurance Company for its contributions to support our Aqua Camps programme.
