

Steinhoff/BZS Scholar announced

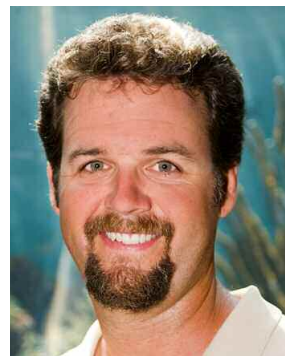

Winston Godwin receives his award from Tom Steinhoff

BERMUDIAN STUDENT Winston Godwin is the 2010 Steinhoff/BZS Scholar. Godwin, 20, is in his third year at the University of Guelph, Ont., Canada, where he is majoring in Geography with a minor in Environmental Studies.

“This scholarship means a great deal to me and my family and I thank the Bermuda Zoological Society and the Steinhoff Environmental Scholarship Committee for providing me with this opportunity,” says Godwin, who’s spending the summer working as a lifeguard.

Godwin is the second recipient of the \$10,000 Steinhoff/BZS Scholarship, launched last year. The scholarship committee also gave a special award of \$4,000 to **Mark Outerbridge**, a BZS ecologist studying for his PhD degree. Outerbridge has spent the past few years studying Bermuda’s killifish and native terrapins. He also coordinates the Bermuda Turtle Project.
